Adjourn

As we are all aware, Governor Charles Baker has declared a state of emergency in Massachusetts to support the state’s response to Coronavirus. People should use their own judgement if they wish to attend meetings and events where there will be crowds. If you are ill or symptomatic you should not attend. At the present time, public meetings by Town boards, commissions, committees, and councils will continue to be held and open to the public as required by law, and the Town can make no assurances of safety or assistance in preventing the transmission of illness.

The Board of Health reserves the right to limit the amount of attendees per the Executive Order signed by Governor Baker on March 12, 2020.
