Notice of Virtual Meeting to be read by Chair at the meeting’s opening:
Meetings of the Finance Committee are recorded for transmission on Rutland Public Access Television and YouTube. Pursuant to Governor Baker’s March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c.30A, §18, and the Governor’s March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Town of Rutland Finance Committee will be conducted via remote participation to the greatest extent possible. Specific information and the general guidelines for remote participation by members of the public and/or parties with a right and/or requirement to attend this meeting can be found at Rutland’s website, at townofrutland.org. For this meeting, members of the public who wish to watch the meeting may do so in the following manner: by watching Rutland Community Television live, on channel 192 and on the Town’s website www.townofrutland.org, or by viewing a recording of the meeting on the Town’s YouTube page following the meeting. No in-person attendance by members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on Rutland’s website a video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

Notice of Remote Participation during Novel Covid-19 Virus Outbreak

In light of the ongoing COVID-19 coronavirus outbreak, Governor Baker issued an emergency Order on March 12, 2020, allowing public bodies greater flexibility in utilizing technology in the conduct of meetings under the Open Meeting Law. The Town of Rutland greatly values the participation of its citizens in the public meeting process, but given the current circumstances and recommendations at both the state and federal levels to limit or avoid public gatherings, including Governor Baker’s ban on gatherings of more than 25 people, together with the present closure of Community Hall and other public buildings to the public, the Town has decided to implement the “remote participation” procedures allowed under Governor Baker’s emergency Order for all boards, committees, and commissions. This means that:

1. All or any of the members of the public body may choose to participate in a public meeting via remote access. Meetings may be virtual, in their entirety.

2. The public will not be allowed into a Board/Committee meeting, even where there are any members of the public body and/or Town staff or official(s) physically present at the meeting location during the meeting. “Public comment” portions of meetings will be either temporarily suspended or very limited in scope due to technological limitations.

3. However, the public will be provided with alternative access through which they can watch or listen to meetings “in real time,” and meeting notices will specify the manner in which members of the public may access audio or video of the meeting as it is occurring.

4. If, despite our best efforts, our technological capabilities do not adequately support public access to virtual or remote meetings, the Town will ensure that an audio or video recording, transcript, or other comprehensive record of the proceedings at the meeting is posted on the Town’s website as soon as possible after the meeting.

5. Notices for public hearings will contain additional information about how the public may participate via electronic/technological means.

6. For executive session meetings, public access to the meeting will be limited to the open session portion(s) of the meeting only. Public access to any audio, video, internet or web-based broadcast of the meeting will be discontinued when the public body enters executive session.

7. Where individuals have a right, or are required, to attend a public meeting or hearing, including executive session meetings, they will be provided with information about how to participate in the meeting/hearing remotely.

8. Meeting notices will still be posted at least 48 hours in advance (not counting Saturdays, Sundays, or legal holidays), unless it is an emergency meeting as defined under the Open Meeting Law (in which event, the meeting notice will be posted with as much advanced notice as is possible in the circumstances). Minutes will still be taken.
